## Eli's Cheesecake – Feature Dessert

We are excited to announce that our Apple Bavarian Tart has been featured on season 2 of [Unwrapped 2.0](#)! Unwrapped 2.0 is a fun and fascinating look at the amazing processes, great stories and interesting people behind the creation of America's favorite snacks. Hosted by Alfonso Ribeiro, Unwrapped 2.0 features everything from classic childhood treats to the latest candy crazes. Whether you like your snacks sweet or savory, crispy or gooey, Unwrapped 2.0 offers behind-the-scenes access to get you a front row seat to see them made.

On the episode “Savor the Flavor,” viewers got a sneak-peek at the making of the Apple Bavarian Tart: Caramelized fresh Michigan apple slices with a layer of rich Bavarian custard are artfully arranged in a fluted handmade graham crust.
