

Eli's® What's New?

Goopy Butter Cake

Eli's #360702/3"/2.9 oz./36 pack. Certified kosher.
Eli's riff on this St. Louis classic: Rich, goopy, buttery cake baked to a golden brown, with a custardy inside and a crackly sugar crust on top. It began as a happy accident in the 1930s when a baker switched the ratios of flour and butter in his recipe. Rather than throw it away, he baked it anyway - and the rest is history!

Warm frozen cake at 350°F for 10-15 minutes, or microwave for 40 seconds until center is warm. Let stand 1 minute before serving.

Chocolate Lava Cake

Eli's #360701/3"/2.75 oz./36 pack. Certified kosher.
Eli's version of this blast from the past molten chocolate cake: Moist, old-fashioned chocolate cake, oozing with rich bittersweet chocolate ganache filling. It was invented by accident in the 1990s, when a baker pulled his chocolate cake from the oven before it was done and found that the center was still deliciously goopy and warm.

Warm frozen cake at 350°F for 10-15 minutes, or microwave for 40 seconds until ganache center is hot. Let stand 1 minute before serving.
